

## Lamb

Our Lamb is fed a diet of rich, mixed grass and pasture. Due to the dietary needs of sheep, we believe that they occasionally need a small mix of grains (pre and post pregnancy). However, we devote the same efforts to raising them naturally as we do with all of our livestock and the grains they receive during this period are organic.

**Ground Lamb \$18.99/#**

**Ground Lamb Patties—3 or 4 pieces/patty \$20.99/#**
